2001 Analytical Review DWCCA-1680-PJL

Dear Mrs. Bjorklund:

The Public Service Commission (Commission) staff has completed its analytical review of your utility's 2001 annual report. The primary purpose of the analytical review is to detect possible reporting or accounting related errors and also to identify significant fluctuations from prior years' data that are not sufficiently explained in the annual report. The analytical review did identify the following issues:

1. Please explain why, while there is \$1,950 reported for contributions for water services in Account 271 on page F-17, there are no water services reported as added during the year on page W-16 and no dollars reported as added during the year to Account 345, Services in the Water Utility Plant in Service schedule on page W-8.

2. Wis. Admin. Code § PSC 185.76 requires periodic testing of customer meters to ensure their accuracy. Meters 1 inch or smaller shall be tested at least every 10 years, meters 1 ½ to 2 inches every 4 years, meters 3-4 inches every 2 years and meters over 4 inches every year. However, starting in 2002, as detailed in Wis. Admin. Code § PSC 185.76(6), an alternative to this testing plan has been authorized in which a utility replaces its 5/8", 3/4" and 1" meters every 20 years. Please ensure that the utility complies with the code for all meter sizes.

Responding to the questions posed from the analytical review does not preclude you from possibly receiving other inquiries from our office regarding your annual report in the future: for instance, during a rate case, construction authorization, or other Commission reviews.

We appreciate your cooperation in providing the above information. If you have any questions, please feel free to contact me at (608) 267-9198.

Please respond within 30 days of this letter.

We prefer that you respond by e-mail if it is convenient for you to do so. My e-mail address is peter.leege@psc.state.wi.us. If we have no questions regarding your response, you can consider the review closed.

Sincerely,

---
